Ben and Laura-

Great discussion this morning. We have confirmed that the 9R funds can be used for payroll (YAY).

As you are gathering your estimates, please be sure to include what is listed below. OEM will need these estimates and timeframes before we can go forward to the Budget office.

CBI/Ex. 4

4) Timeframes. If you can segment the work/ needed resources or estimate this much payroll, travel, contractor costs etc will get us through ? This is from the inception to September 30th.

Thanks
